# GRILLING FIRE SAFETY

KNOWING A FEW FIRE SAFETY GRILLING TIPS WILL HELP EVERYONE HAVE A SAFE SUMMER.

Only use your grill outside.

Keep it away from siding and deck rails.

Keep a 3-foot safe zone around your grill and campfire.

This will keep kids and pets safe.

Clean your grill after each use. This will remove grease that can start a fire.

Place the coals from your grill in a metal can with a lid once they have cooled.

Open your gas grill before lighting.

Keep an eye on your grill, fire pit or patio torches.

Never leave any of them unattended.

**STAY FIRE-SAFE THIS SUMMER!**
